Amendments In the Claims

Applicants submit herewith a marked-up version of the claims and request entry of the changes submitted.

Claims 1 is currently amended to replace the internal periods with parenthesis and to insert reference that the proscribed system is for treatment of a patient.

The status of claims 5, 9-10, 14, 19, and 24-25 is given as being the original claims. All other claims have been withdrawn.

Claims 11-13, 15 and 23 have also been withdrawn from the group of claims initially examined.

Claims 85-89 are new.

The submitted marked-up versions of the claims follows standard amendment rules, wherein added text has been underlined and deleted text has been bracketed.

Amendments In the Specification

Applicants have submitted an amendment to the specification to indicate the priority claim for the present application.

Claim 1 has been amended to remove internal periods found in the claims and replace them with parenthesis, and to insert the claim system of Claim 1 specifically relates to treatment of patients
